Maryborough Stamp Club

Founded 14th July 1971

The purpose of the Club is to promote philately in the Central Goldfields region. This is achieved through sharing collecting and philatelic knowledge, through exchange sheets, and through visits and talks.

Club meetings usually start with a brief formal meeting, followed by a talk and philatelic display, an activity, and ends with supper. In September there is no formal meeting. In December we have a gift [up to \$5 value] exchange and a Christmas quiz.
